## READING CAMP #1

This course is for students who still need work on decoding, fluency, and vocabulary building.

1/2 day & full day camps available

Tues/Wed./Thurs.

min. 3 students max 5

## READING CAMP #2

This course is for students who are stronger decoders, but need work on reading comprehension skills, fluency, and vocabulary building.

1/2 day & full day camps available

Tues/Wed./Thurs.

min. 3 students max 5

## WRITING CAMP

This course is for students who need help with the writing process overall. We will work to have a published piece by the end of the week and focus on grammar, punctuation and word work through game play and technology!

1/2 day & full day camps available

Tues/Wed./Thurs.

min. 3 students max 5

## MATH CAMP

This course is for students who need to sharpen their math minds before school, or struggle with number sense or mental math. The NB curriculum is followed. Hands-on learning is king in this class, combined with games and technology to keep it fun!

1/2 day camps only

Tues/Wed./Thurs.

min. 3 students max 5

## DETAILS

### Pricing

1/2 Day Camps  
9am-12pm  
\$260/week

Full day Camp  
10am-2:30pm  
\$400/week

These camps have been life-savers for kids for 8 summers now. The day flies by and kids feel more confident going back to school. You'll have activities to take home and a report from us to take to the school so they can continue supporting your child.
